Our User Service is North Yorkshire Council Resilience and Emergencies Unit.

There are **1230 cut-offs at Ribblehead** and **1530 at Hill Inn checkpoints**. Please note that Hill Inn CP is east of the public house at the junction with the B6255 and the entrance to the Yorkshire Water Service Reservoir. G0UFI is also providing TT for M7GAX from here.

This is the 50th and last BT Three Peaks. Next year you can all assist on the Knaresborough Bed Race, which is on the same day.

Thank you.
